*Gilda's Club Northern
New Jersey invites you to
our annual*

Noogieland Family Valentine's Day Party

Kids touched by cancer, as well as their parents and care givers, are invited to join us for our Valentine's Day Party. We will decorate heart cookies, create a special Valentine's Day bouquet and create unique Valentine's cards. The Community Room will become a game room, where you can play heart twister, heart ring toss, pin the heart on the bee and much more. A light dinner will be served.
